INTRODUCTION

Welcome to Junior Schedule for the The Grand Hotel 149th Annual Wellington Show
Saturday 24th May 2025.

This Junior Schedule has been produced so that children and teachers of the Wellington District can have a convenient summary of the various classes and competitions available to juniors within the Wellington District.

Our ongoing goal is to increase the involvement of both juniors and schools in this important long running tradition that encourages excellence and pride in agriculture, handicrafts, artwork, cooking, gardening and much more. Any young people who are interested in becoming involved in the show are advised to contact the relevant steward for more information.

As always we have a number of sections available for juniors to enter with many great prizes on offer. If you as a family are interested in sponsoring a section or class of the Junior Schedule please contact the stewards.

For additional copies of this publication please go to our website or contact the Junior Involvement Coordinator. Refer to main schedule for full details of all available classes in all sections.

INTRUCTIONS FOR EXHIBITORS' ENTRY SYSTEM

Exhibitors are given a uniquely numbered Exhibit Entry Ticket for each class that they enter (these are free for children's classes). Exhibits will not be judged unless the exhibit ticket has been completed on both sides. The exhibitors' copy is to be retained by the exhibitor and presented when collecting exhibits and prizes.

Entry tickets can be obtained from the Wellington Show Office in the two weeks prior to the show. Books of tickets will also be distributed to schools prior to the show for entries been made by the students.

SECTION 16: CHILDREN'S COOKING

HEALTHY LUNCH BOXES

Healthy Lunch Box food is an important part of daily nutrition. Healthy food is "brain food". It will help you to concentrate and learn and give you energy to play sport, play with your friends and have fun.

Some suggestions for a healthy lunch box are:

- Vegetables – vegetable sticks, cherry tomatoes, cooked vegetables such as pumpkin or avocado for salads, sandwiches or wraps and dips.
- Carbohydrates – wholemeal/multigrain bread for sandwiches, wraps, rice, pasta or crackers
- Protein – Lean cold meat, tinned salmon or tuna, eggs and beans such as baked beans
- Dairy – yoghurt and cheese
- Fruit – fresh fruit cut into small pieces, frozen fruit or dried fruit

Water is the recommended drink of choice as it keeps you healthy, quenches your thirst and protects your teeth from decay.

So, put your thinking cap on, be creative and enter your healthy lunchbox.
(Classes 8, 14, 20 & 26 – see below)

Thank you to Wellington Primary School, St Mary's Catholic School, Wellington Children's Community Centre and Wellington High School for supporting this section.

Baking Hints:

* Use a tea-towel on your cake rack so your cakes don't get marked by the rack.

* Icing should set hard and can be any colour. Suggest icing sugar, a small amount of butter and liquid.

* Cakes should be iced on the top only, not the sides.

* Patty cakes can be made in muffin papers.

* Great marble cakes are made by alternating pink, chocolate and white cake mix on top of each other and around the tin.

* Use dark coloured cocoa for chocolate cakes and chocolate crackles. Try to match the colour of your chocolate icing to the colour of your chocolate cake.

* Judging will take into account the age appropriate skills of the baker.

* Most of all be safe, have fun and help clean up when you are finished!
