Most Successful Exhibitor in each school age group - \$20 donated by St Mary's Catholic School, Wellington Public School, Wellington High School, Wellington Christian School.

Baking Hints:

- * Use a tea-towel on your cake rack so your cakes don't get marked by the rack.
- * Icing should set hard and can be any colour. Suggest icing sugar, a small amount of butter and liquid.
- * Cakes should be iced on the top only, not the sides.
- * Patty cakes can be made in muffin papers.
- * Great marble cakes are made by alternating pink, chocolate and white cake mix on top of each other and around the tin.
- * Use dark coloured cocoa for chocolate cakes and chocolate crackles. Try to match the colour of your chocolate icing to the colour of your chocolate cake
- * Judging will take into account the age appropriate skills of the baker.
- * Most of all be safe, have fun and help clean up when you are finished!
